# **PIKE COUNTY SALE**

**Bowling Green, Missouri**

**OCTOBER 30, 1971**

**61 LOTS**

**8 Bulls — 37 Females — 16 Steer Calves**

Each fall some of the best cattle in North America sell in these annual Pike County Sales. No sale in the country offers the buyer more quality for his money. Last year's sale averaged \$268 . . . indicative of the bargains that prevail.

This year, more quality than ever will be offered in both the bull and female consignments. A greater number of Polled Shorthorns will sell than has previously been the case, and a greater number of heifer and steer calves suitable for 4-H and FFA work.

If you want to get into the Shorthorn-Polled Shorthorn business, or expand your existing foundation, Pike County IS THE SALE and OCTOBER 30 IS THE DAY!

# SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

## **Grade A (Superior)—Blue Ribbon**

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

## **Grade C (Medium) —White Ribbon**

These animals are below average for the breed.

## **Grade B (Good)—Red Ribbon**

These animals are good enough to improve some purebred and most commercial herds.

## **Grade D (Unclassified) —No Ribbon**

These animals are undesirable breeding animals.

**Show starts at 9:00 a.m.**

**Judge: Wayne Hartman, Barnard, Missouri**
